

Safety Products

Associated Fire Protection offers a complete line of fire protection and personal safety products at very competitive prices manufactured by the leading companies in the field: Kidde, Badger, Amerex, Carpenter, ESL and others. All of our products are available in our catalog and from the AFP on-line store on our website www.associatedfire.com. Shipping for most products is within 24 hours from receipt of order.

Special volume pricing is available for orders of 10 or more of each item.
